THE APPLICATION DEADLINES (TAÏGA Pre-registration + documents by POST):

- For 1st Semester: May 2nd, 2018
- For 2nd semester: November 2nd, 2018

ADMISSION:

Admission to the Ensba Lyon is validated by the department coordinator, the international office and the Head of studies after examination of your application and depending on available places. A note of acceptance will be sent by email to your exchange coordinator within one month after the application deadline.

FEES:

Students accepted as part of an exchange programme are not required to pay registration fees at the Ensba Lyon.

INSURANCE:

Once accepted, upon their arrival at the Ensba Lyon students must provide:

- a certificate of civil liability (translated into French)
- a birth certificate (for students coming from outside of Europe), translated into French.

SOCIAL PROTECTION IN FRANCE:

Affiliation with the Social Security Student Regime is MANDATORY once you have entered higher education.

Every student is concerned, irrespective of their nationality.

Exception: students coming from the European Economic Space and Switzerland, holders of a European Health Insurance Card (CEAM) or a certificate of affiliation with a private insurance organization (that covers them for the whole of the academic year with no franchise or ceiling of coverage), are not required to be affiliated.

Students from Quebec must present their "carte soleil" upon arrival.

Upon arriving at the Ensba Lyon, all international students coming from a non E.E.E. country, for a stay longer than 3 months, must register with French social security (health coverage, a mandatory regime with partial reimbursement of medical fees) and pay the mandatory registration fees directly to the school. This is not the same as the school registration fees which are also paid to the Ensba. For information, the cost for the French social security mandatory registration fees for the current school year is 217€ (to be paid in cash). Each student can freely choose whether or not to complete this basic premium with a health care provider of their choice or any other insurance providers from the country of origin.

For your student social service affiliation you must choose between two student organizations when registering for university: the LMDE or the SMERRA that both offer the option of a facultative complementary health care provider.

Individual Accident Insurance covers injuries that may occur, particularly in the case where you are the victim of an accident.

All foreign residents who have resided in France for more than 3 months can open a bank account.

The Ensba Lyon advises you to open a bank account in your own name as reimbursements of medical fees by the LMDE and the SMERRA are made by automatic direct transfer to your bank account.

ECTS SYSTEM:

Exchange students are thus required to obtain 30 ECTS credits from the host establishment. However, as exchange students are not officially part of the school's student body they can not pass their degree exam in the school.

In addition to this the teachers are allowed a certain flexibility in their attribution of ECTS credits (as allowed for by the governing texts) in certain cases where the teaching programmes of the establishment of origin don't correspond exactly to those provided by the Ensba Lyon, on condition that the student has responded to the teaching contract that was initially co-signed.

At the end of the semester at Ensba Lyon, exchange students receive a certificate of attendance and a transcript of grades/ECTS corresponding to each teaching unit.

The average workload for one semester at Ensba Lyon is 30 ECTS per semester (60 ECTS for the whole academic year).

The incoming student's learning agreement must include 30 ECTS.

COURSES:

The École Nationale Supérieure des Beaux-Arts de Lyon (Ensba Lyon) proposes a number of study programmes in the form of options: one Art option and three specialized programmes within the Design option. The second cycle, or project phase corresponds to the following two years and is certified and validated by a DNSEP (Diplôme National Supérieur d'Expression Plastique) which is equivalent to a Master's Degree. The following 3 specialized curricula are contained within the Design option: Space Design, Graphic Design, Textile Design .
