ECTS SYSTEM:

Exchange students are thus required to obtain 30 ECTS credits from the host establishment. However, as exchange students are not officially part of the school’s student body they can not pass their degree exam in the school.

In addition to this the teachers are allowed a certain flexibility in their attribution of ECTS credits (as allowed for by the governing texts) in certain cases where the teaching programmes of the establishment of origin don’t correspond exactly to those provided by the Ensba Lyon, on condition that the student has responded to the teaching contract that was initially co-signed.

At the end of the semester at Ensba Lyon, exchange students receive a certificate of attendance and a transcript of grades/ECTS corresponding to each teaching unit.

The average workload for one semester at Ensba Lyon is 30 ECTS per semester (60 ECTS for the whole academic year).

The incoming student’s learning agreement must include 30 ECTS.
