

Spiky Community: for a smooth move to France

Have you just moved to France? Spiky helps you to grasp all the information!

How do I find a doctor who speaks my language? How to open a bank account ? How can I find accommodation or guarantor ? How to choose health insurance? How can I find an internship or a job?

Spiky is a free application that makes your move in France easier!

1/ **Spiky**, your co-pilot to access all the useful information:

- The information is sorted and classified by categories and subcategories: formalities (juridic assistance, translators, banks, insurances...), health, housing, work, studies, learning French, etc.
- The information is quickly accessible in 1 click thanks to the search bar by keywords!
- Associations and organizations that can help you are listed in the application.

2/ **Spiky**, your swiss knife to discover the city :

- Take advantage of the deals and discounts negotiated with our partners (discount in sports halls, discount for health insurance, etc.)
- Access recommendations and tips to discover your city : events, international grocery stores, cultural and sports activities, urban transport...
