Every student is concerned, irrespective of their nationality.

Exception: students coming from the European Economic Space and Switzerland, holders of a European Health Insurance Card (CEAM) or a certificate of affiliation with a private insurance organization (that covers them for the whole of the academic year with no franchise or ceiling of coverage), are not required to be affiliated.

Students from Quebec must present their "carte soleil" upon arrival.

Each student can freely choose whether or not to complete this basic premium with a health care provider of their choice or any other insurance providers from the country of origin.

For your student social service affiliation you must choose between two student organizations when registering for university: the LMDE or the SMERRA that both offer the option of a facultative complementary health care provider.

## ECTS SYSTEM:

Exchange students are thus required to obtain 30 ECTS credits from the host establishment. However, as exchange students are not officially part of the school's student body they can not pass their degree exam in the school.

In addition to this the teachers are allowed a certain flexibility in their attribution of ECTS credits (as allowed for by the governing texts) in certain cases where the teaching programmes of the establishment of origin don't correspond exactly to those provided by the Ensba Lyon, on condition that the student has responded to the teaching contract that was initially co-signed.

At the end of the semester at Ensba Lyon, exchange students receive a certificate of attendance and a transcript of grades/ECTS corresponding to each teaching unit. The average workload for one semester at Ensba Lyon is 30 ECTS per semester (60 ECTS for the whole academic year).

**The incoming student's learning agreement must include 30 ECTS.**
